Government Engineering College (G.E.C), Sreekrishnapuram, Kerala, India
2024 – 2028 (Expected)

Higher Secondary Education
P.K.M.M.H.S.S, Edarikode, Kerala, India
2022 – 2024

SKILLS

Programming Languages & Tools:

- Python: Intermediate
- HTML & CSS: Beginner
- JavaScript: Basic
- C++: Basic

Languages:

- English: Fluent
- Malayalam: Proficient
- Hindi: Proficient
- Arabic: Basic

PROJECTS

VersaBot

- Developed "VersaBot," a Discord bot for Useless Projects '24 by TinkerHub using Python, discord-py-interactions, and qrcode modules.

- Implemented features that aligned with the "useless" theme, including QR code generation and automation.
- Repository: https://github.com/Scemworks/VersaBot.
